

SENATOR KREMER: I thought you did.

SENATOR BARNETT: No, I think they convinced me in the hearing, Senator Kremer, that that is what they wanted. I think this was their concern about this type of legislation.

SENATOR KREMER: This is true. Then I would have to back up what Senator Kelly said. The reason we killed the bill was because it would not have provided for a hearing of any kind.

SENATOR BARNETT: What I meant was at that hearing it was brought out that the farmer wished to have the first opportunity, which they don't get in this resolution.

SENATOR KREMER: Thank you very much. While I'm on my feet I will support the resolution before us. I think that the provisions of the law have been taken care of, everyone has had an opportunity, and I think this is one time when there was as little opposition as there was, that we ought to go along with providing some type of recreational facility as provided by the abandonment of a railroad. I do support the resolution.

SENATOR MARVEL: Senator Frank Lewis.

SENATOR F. LEWIS: I move the previous question.

SENATOR MARVEL: Do I see five seconds? The motion is to cease debate. All those in favor vote aye, opposed vote no. Voting aye.

CLERK: Senator Marvel voting aye.

SENATOR MARVEL: The motion is to cease debate. Record the vote.

CLERK: 27 ayes, 0 nays.

SENATOR MARVEL: Motion carried. Debate is ceased. Senator Kahle, you wish to close?

SENATOR KAHLE: I wish to not make any closing. I would say, just for those that might be interested, that those farmers were not here yesterday that Senator Barnett is talking about. If they were concerned they certainly would have been. I'm sure we agree to that. Thank you.

SENATOR MARVEL: All those in favor.... The motion is the adoption of resolution 54. All those in favor vote aye, opposed vote no. Voting aye, Mr. Clerk.

CLERK: Voting aye.

SENATOR MARVEL: Have you all voted? Record vote has been requested. Record vote.

CLERK: Read record vote found on page 1440 of the Journal. 29 ayes, 1 nay.

SENATOR MARVEL: The motion is carried. The resolution is adopted. Chair recognizes....
